

2012

International Light Vision EXPO

October 9(Tue.) ~ 12(Fri.), 2012_4 Days

Kimdaejeung Convention Center

International Photonics Exhibition 2012

October 9(Tue.) ~ **11**(Thu.), **2012_3** Days

Kimdaejung Convention Center

International Photonics Exhibition 2012

○ Feature

- 200 photonics related companies with 400 booths
- Technology exchange & transfer, business meeting & contract, exchange of market trend & technology information
- Operating FITH, LED
- Operating photonics joint information center

○ Items

- Optical Communication, Optical Source & Optoelectronic Devices, Optical Precision Instruments
- Optical Information Instruments, Optical Instruments

How to apply for participation

○ Procedure

○ How to apply

› Deposit

A 50% deposit in advance when submitted the application with Certificate of Business Registration through registered mails or fax

› Deadline

June 29, 2012(first-come-first-served basis)

* Application should be sent to Photonics Korea Secretariat by fax, email or air mail.

○ Participation Fee

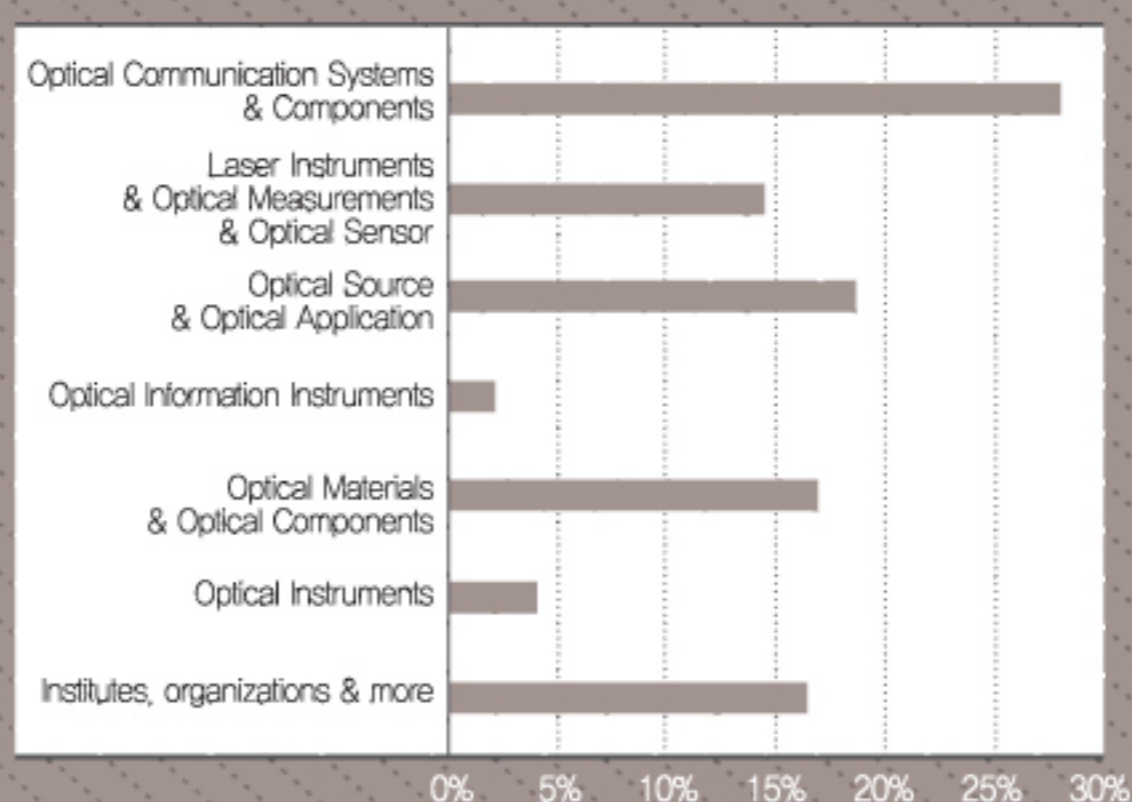

Classification	Fee	Remarks
Space Only	USD 1,650	1booth : 3m X 3m (9m ²)
Space and Shell stand	USD 2,000	

Beneficiary KAPID

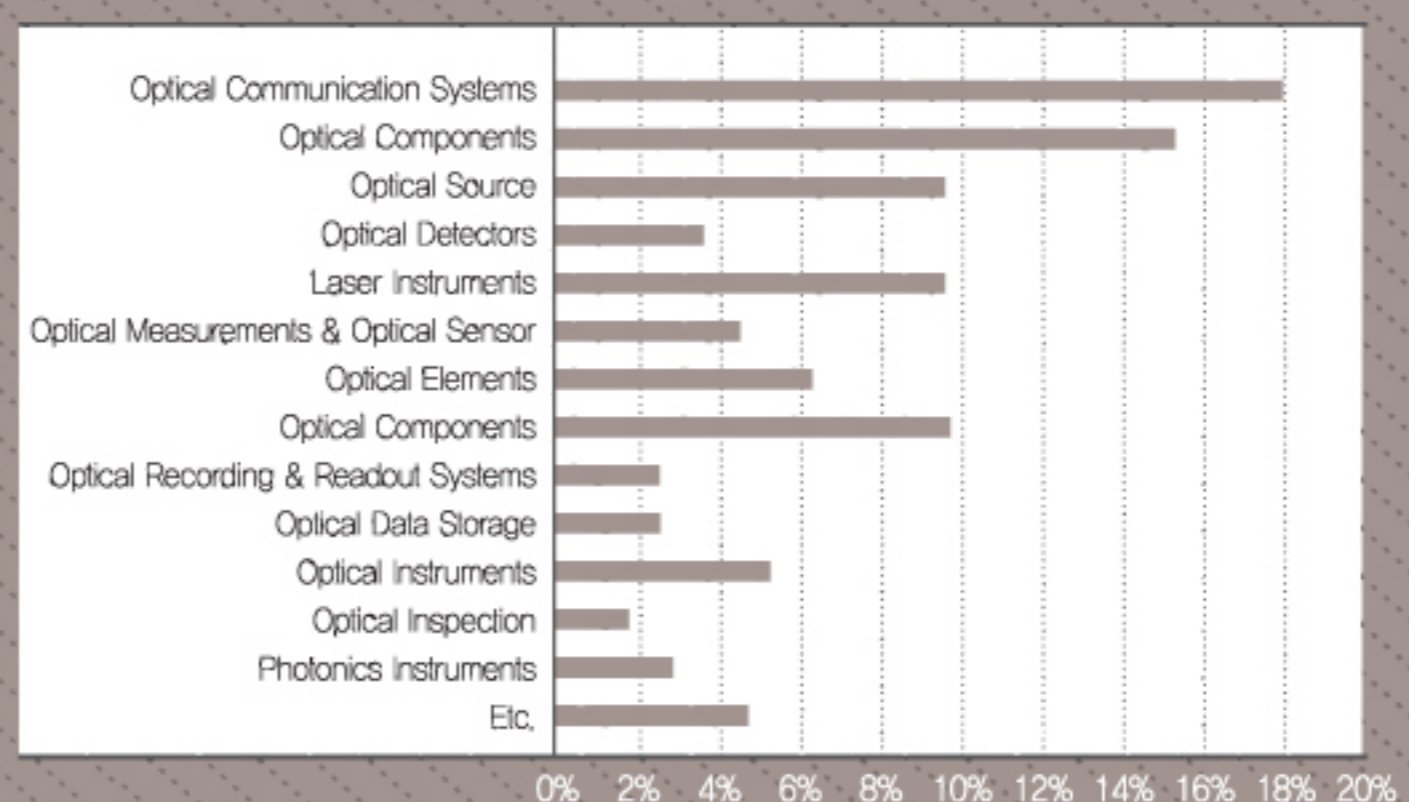

Account Number 420-127-005208 Bank Kwangju Bank, Chumdan Branch Swift code KWABKRSE

2012 International Light Vision EXPO

↘ Feature

- It is based on Photonics Korea & IPTC which is organized & held by KAPID every October since 2001.
- With leading Eco-friendly the Low Carbon Green Growth, LED Lighting sector is now a main issue globally & selected as a core exhibiting item.
- The great chance to experience a case of LED Lighting in real life and Energy Saving Effect directly through various events such as exhibiting domestic companies' products, conference and LED application media art contest.
- Provide an opportunity to meet exchanging various technical know-how, new technologies and new products of exhibitors through the conference of the famous.
- Working to develop LED Lighting Industry, Gwangju Strategic Industry. Also, it would serve to solidify the relationship among LED companies and be a key factor by stimulating the business investment.
- What concerns us is Gwangju's image, International Photonics City.

"LUMIBOWL", World Photonics EXPO 2010 in Gwangju

↘ Main Events

Exhibition

- Title International Photonics Exhibition 2012
- Date October 9 ~ 11, 2012(3 Days)
- Venue Kimdaejung Convention Center
- Participation 200 companies, 400 booths, 15 countries
- Exhibit Profile
Optical Communication, Optical Precision Instruments, Optical Information Instruments, Optical Materials
LED/Optical Sources, Solar Cell/Optoelectronic Devices, Optical Instruments
[Optical application like Optical+IT, Opticla+Ship & more](#)
- Benefits
[Discount on Participation Fee for the early applicants](#)
Before 6 months (April 30) : 10% discount on booth rental fee
- Project Theme Booth
R&D
[LED Botanical Booth](#)
[High-Tech Industry such as Robot, Sensor, 3D, Touching Industry](#)
[LED Theme Booth: Emotional Lighting, History & Pollution of Lights, Comparative Experience booth](#)
- LED/Optical Communication
Next Generation Future
New Technology Conference
[Support for digging a new industry in Optical Application or Convergence & Integration](#)
- Seminar
[Invite experts, specialist lights designers of national and international reputation](#)
- Press Day & Lighting Ceremony
for Applied-LED Media Art Contest
Prize Winners Works
[October 8\(Mon\), 2012 at 7PM](#)
- Recruiting JOB Festival
- Gwangju Photonics 100 Billions CEO Forum
- Small Business Components Procurement Fair([Gwangju TP](#))

Conference

A conference would give any practical use for the Photonics industry

- Photonics Conference
October 9(Tue) ~11(Thu), 2012(3 Days)
Conference Room at Kimdaejung Convention Center

Events

- Applied-LED Media Art Contest
The contest based on LED Application
(author' s describing & meeting for commercialization)
[Contest & Evaluation](#)
March ~ September, 2012
(Completed contest before the show)
[Display contest Prize Winners Works](#)
kimdaejung Convention Center
- Props Making Events with LED
- Citizen Participation Festival
For the students & the commonality would be an opportunity to experience LED Lighting, attraction and enjoying events,
October 09(Tue) ~ 12(Fri), 2012(4 Days)(day and night)

Application
