- www.euresearch.ch

Switzerland in FP7 (March 2010)

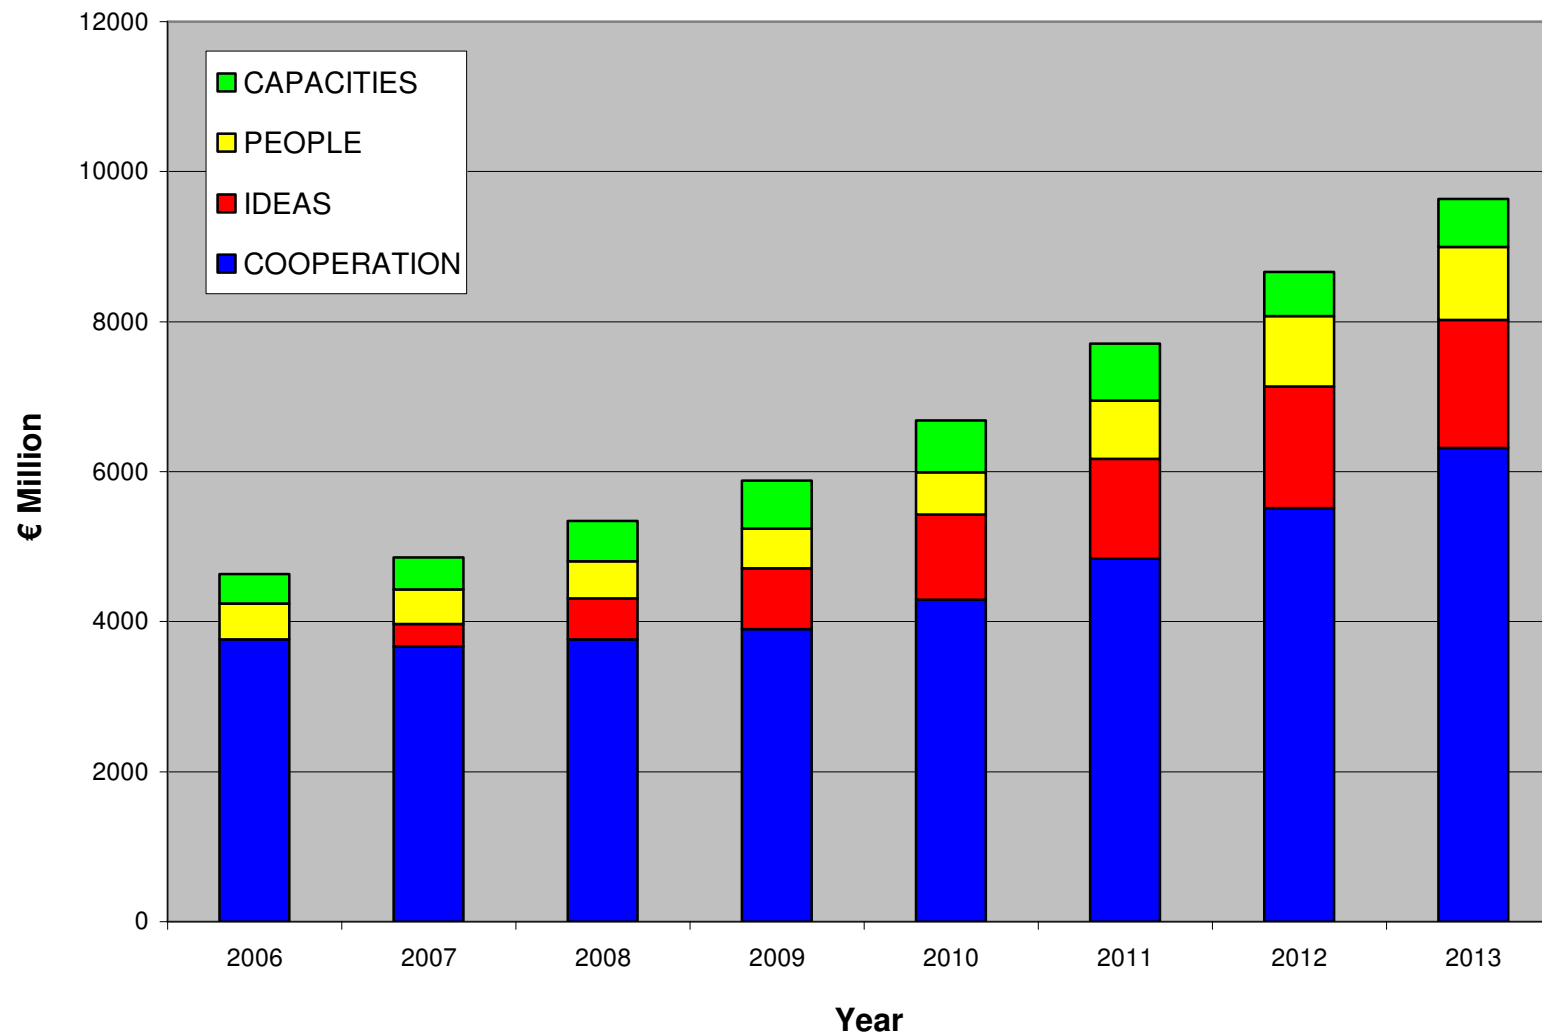

- Switzerland pays 2.5% of the total FP7 bill (52 billion €, for 7 years, 2007-2013)
- So far Switzerland got 4% of the competitive called budget back → 561.8 million €
- The ERC is becoming the most successful programm for Switzerland
- Just to remember: FP7 consists of 4 sub-programmes
 - **Cooperation** (ICT, Health, Food, Energy,...)
 - **Ideas** → ERC
 - **People** → Marie Curie fellowships
 - **Capacities** → Infrastructure, SME specific measures, INCO etc)

1350 Participation in FP7 (May 2010)

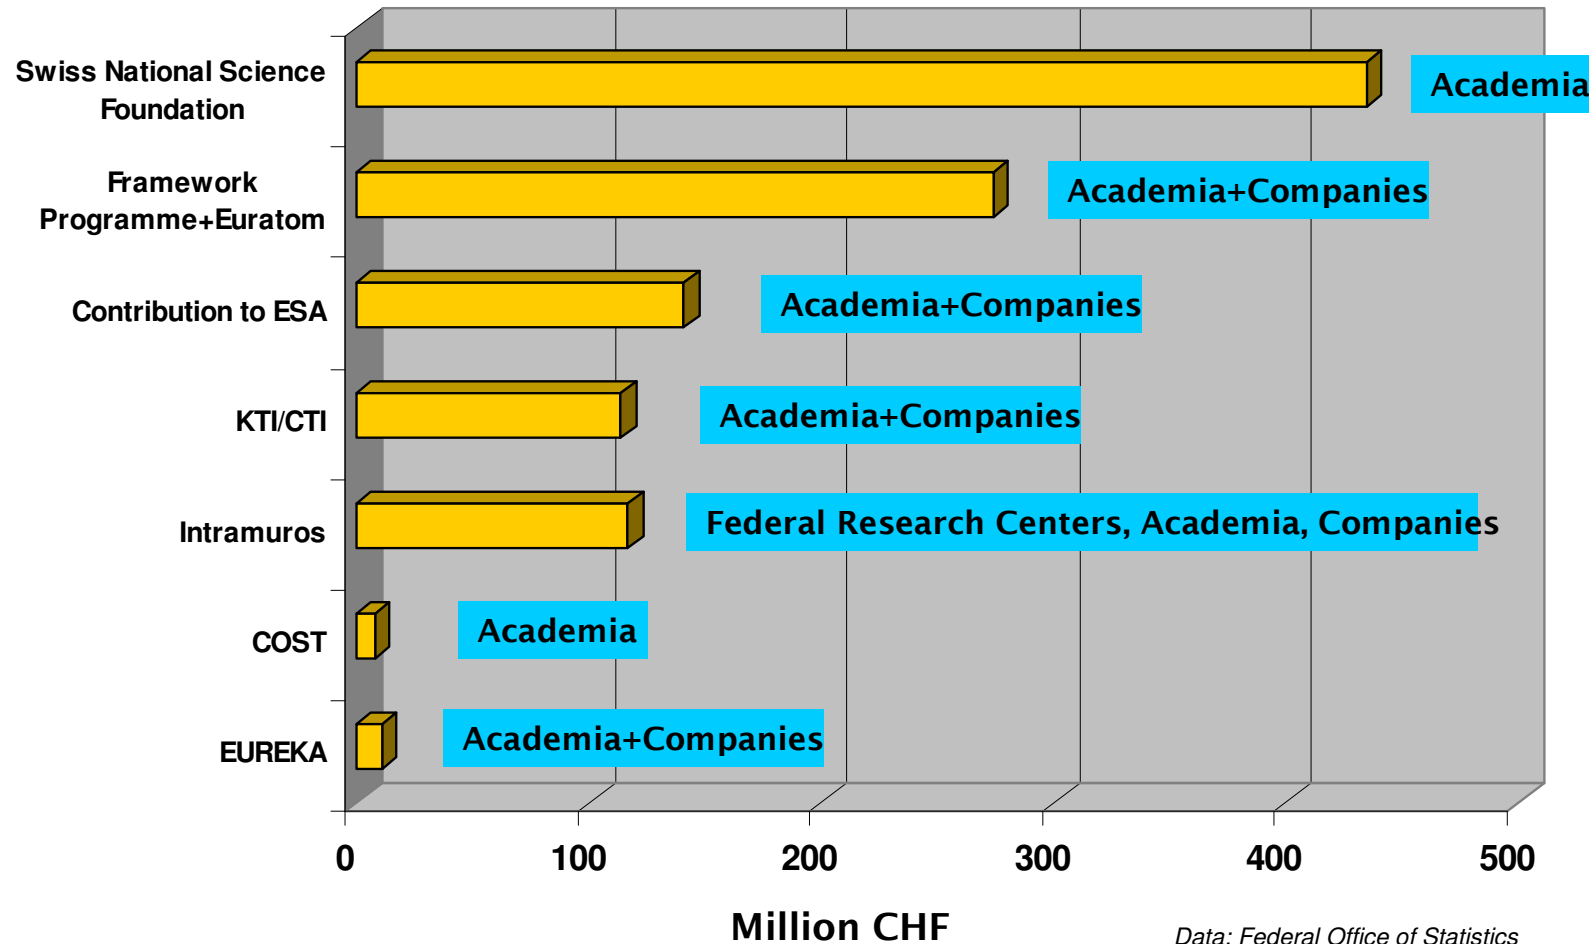

2/3 Academia, research centers (900)
 28 % Companies (400)
 4 % FH/HES (50)

FP7 budget 2007-2013

Swiss Public Research Expenditure 2006

Technology Platforms TP

- Framework for stakeholder, led by industry, to define research and development priorities, timeframe and action plans for specific sectors
- Play a certain role in setting the research agenda of FP7 (call topics)
- May become a [Joint Technology Initiative](#) (very seldom!)
- [List of technology platforms](#)
- [List of Swiss participants/delegates in TP](#)

Swiss support for European
Business and Innovation
provided by

EU RESEARCH alliance

your Swiss guide to European research

network

enterprise europe

The Enterprise Europe Network supports you with 600 organisations in 40 countries to build technology/business cooperation:

- find partners exploiting your technologies
- find partners providing a technological solution to your need
- offer your expertise for technology and research cooperation

Personnel and free of charge support for all services:

- www.swisseen.ch/database: Browse through 4000 technology cooperation offers and requests
- www.swisseen.ch/alert: Receive by email the latest technology cooperation offers and requests
- www.swisseen.ch/promotion: Disseminate your technology cooperation offer or request in over 40 countries
- www.swisseen.ch/events: Select in advance potential cooperation partners and meet them in face2face meeting

Euresearch's strategy

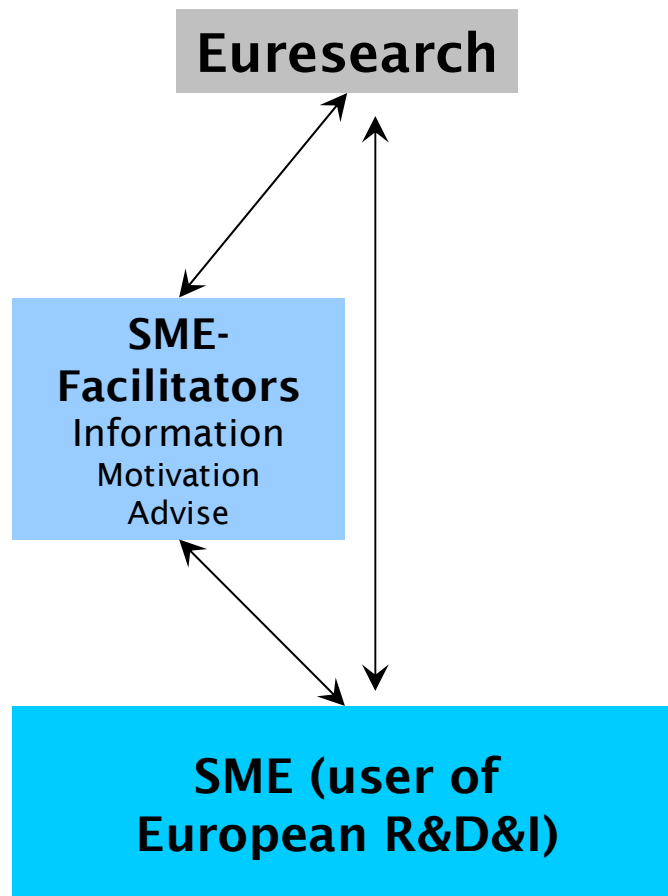

Principle process steps

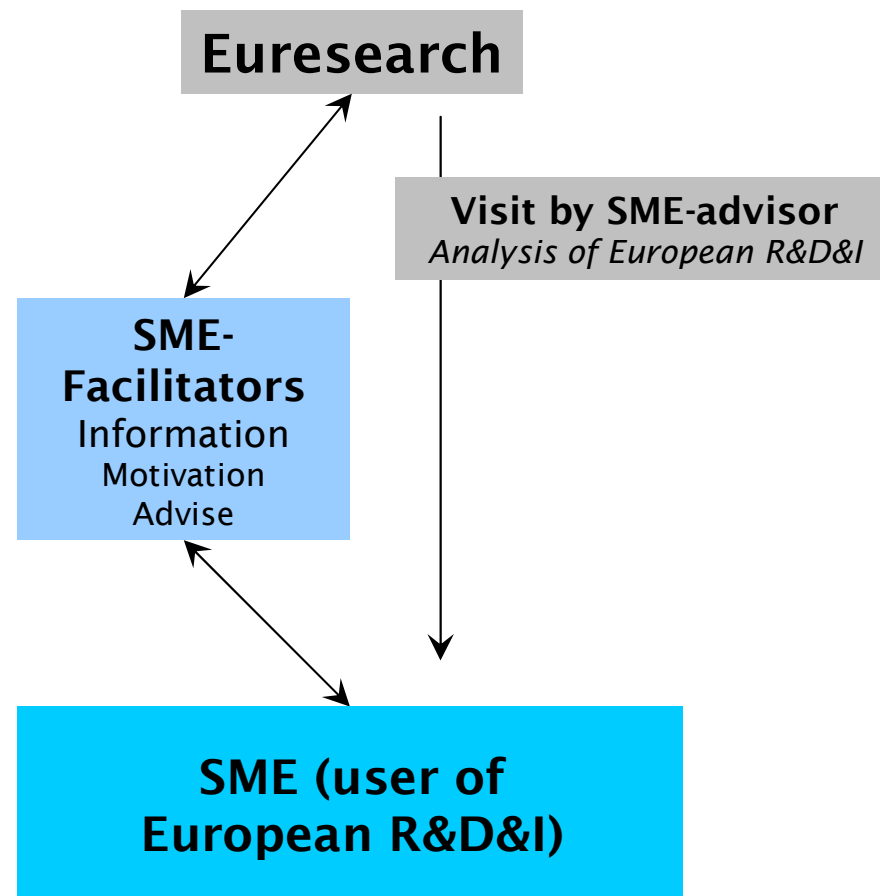

SME Support

I Awareness

II Analysis

Our Strategy

- Cooperation with facilitators (regional or thematic) to spread information and rise awareness
- Offer dedicated services and information, ready to use on European R&D&I e.g. technology offers and requests for a specific domain, see [Cleantech Alps](#)

Or up-coming calls in FP7

- Offer services for proposers
