

Biophotonics - Photonics in life sciences

- | | | |
|-------|------------------------|---|
| 13:30 | Prof. Dr. Gerda Huber | Welcome |
| 13:30 | Dr. Christian Bosshard | Moderation |
| 13:35 | Dr. Christoph Harder | Introduction |
| 13:45 | Prof. Dr. Jérôme Faist | Quantum cascade lasers for biophotonics |

Session 1: Instrumentation, Monitoring, Imaging

- | | | |
|-------|---------------------|----------------------------------|
| 14:15 | Dr. Yann Cotte | Nanolive - Live Cell Exploration |
| 14:35 | Dr. Martin Forrer | Endoscopie |
| 14:55 | Dr. Christian Vélez | OCT for biophotonics |

15:15 Networking Break / Nano Laptour / MedTech Laptour CSEM-Tabletop exhibition

Session 2: Diagnostic, Treatment, Therapeutics

- | | | |
|--------------|----------------------|--|
| 16:00 | Dr. Marc Schnieper | Printable Biosensors |
| 16:20 | Dr. Frédéric Mallard | Towards (nearly) real-time medicine using micro-spectroscopy |
| 16:45 | Nikolaus Traitler | Round Table |
| 17:00 | Apéro Riche | Show-Cooking |
