CALL FOR PRESENTATIONS AND POSTERS

OCLA 2026

The OCLA Symposium is geared towards technically interested engineers and scientists working with laser optics, high-end optical thin film deposition and characterization. Visitors, presenters and researchers get the opportunity to exchange ideas as well as share their work related to the field of optical coatings, laser technology and LIDT measurement.

The upcoming workshop is looking for submissions which offer solutions to common problems, innovative uses of technology, current research findings and more.

Registration for the OCLA Symposium starts end of 2025.

Send an Abstract

You are invited to send your proposals for presentations or posters in the field of:

- Optical coatings for laser applications
- Laser technology and applications
- Metrology for optical coatings and substrates
- Low loss optical coatings
- Laser damage of optical coatings
- Impact of polishing, surfaces and interfaces

Duration of presentations are typically 15 minutes.
Poster size is DIN A0.

Requirements

- Abstracts should be no more than 1000 characters, including spaces
- Please include the lead presenter's name, title, affiliation, and email, along with the name/affiliation of additional presenters
- Indicate if you intend to give a TALK or to present a POSTER
- Participation at OCLA 2026 is free of charge
