

How to find us

Menhir Photonics AG
Zürichstrasse 130
8600 Dübendorf, Switzerland
Tel: +41 (0) 61 331 45 45

Menhir Photonics is located on the ground floor of the Helsana building in [Stettbach, Dübendorf](#). Although our address is on Zürichstrasse, the **two building entrances** are on the side streets [Am Stadtrand](#) and [Hochbordstrasse](#).

Along [Am Stadtrand](#), you will find the main entrance to the Menhir Photonics/Helsana building. Walk through the revolving doors straight ahead and past the reception. Then, turn left and continue walking straight ahead until you reach the end of the corridor. Menhir Photonics will then be on your right.

The secondary entrance is on [Hochbordstrasse](#), to the left of the Migros parking garage. Through the revolving door, you will find our offices on your left shortly after entering the building.

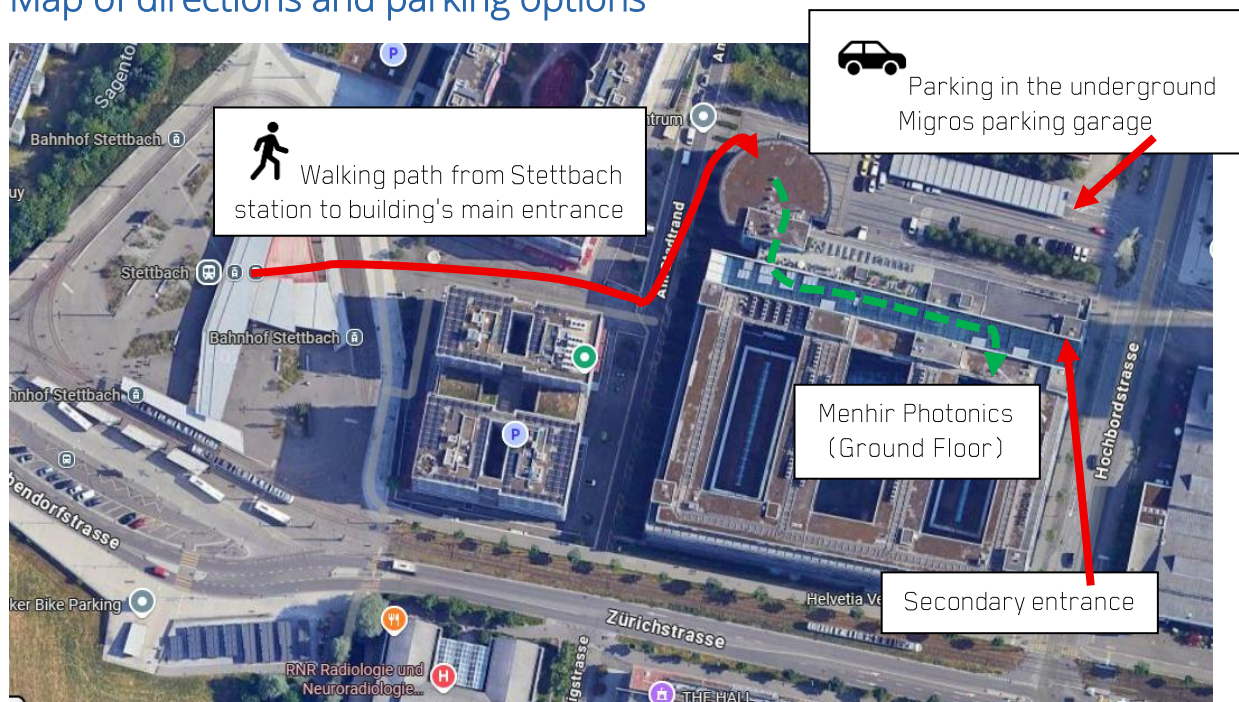

Access by public transport

[Stettbach](#) train/tram/bus station (6 min walking distance from our office)

From Zurich airport: 24 min by direct connection tram nr.12 (direction Bahnhof Stettbach)

From Zurich HB train station: 9 min by direct S-Bahn connection (S 3, S9, S11 or S12)

Map of directions and parking options

Please note that there isn't any free visitor parking onsite; we kindly ask you not to park on the Helsana or Helvetia visitor parking spaces.

Parkhaus Stettbach Mitte / Migros Parking

Located at [GPS 47.3974183, 8.5997340](https://www.google.com/maps/place/47.3974183,8.5997340), [this garage](#) offers both P+R (park-and-ride) and full-day visitor parking. The daily rate is CHF 12 for P+R spots and CHF 25 for all-day regular parking (www.stettbach.ch). From the garage, take the elevator up to the ground level. Then follow the same instructions as if you were coming from Stettbach station.

In case of questions, please contact us at +41 61 331 45 45.

We are looking forward to seeing you!
