Swissmem Division Photonics

Swissmem's Photonics division is an industry network for Swiss developers, manufacturers and suppliers of photonic and optical systems and system components. It brings together 36 Swiss companies and six universities and research institutes.

Swissmem 的光电部门是针对瑞士的光子，光学系统以及系统组件的开发商，制造商以及供应商的一个行业网络。这里汇集了36个瑞士公司以及6所大学和研究机构。

Last year, the value of the photonic products manufactured in Switzerland amounted to CHF 3 billion, with laser materials processing accounting for the lion's share of this volume. Switzerland's photonics industry employs around 9,500 people. The majority of these (26%) work in optical measuring technology and image processing.

去年，瑞士光电行业产值在大约30亿瑞士法郎，其中激光材料加工占有最大份额。瑞士的光电行业从业人员有大约9500人。这其中大部人员(26%)从业在光学测量以及图像处理行业。

With 90% of its sales generated abroad, the Swiss photonics industry is heavily export driven. The Swiss companies operating in this sector are distinguished by their strong technologies and components, by their innovativeness and by the fact that they have been supplying the international market with top-quality products for several decades.

瑞士的光电子行业非常倚重出口，90%的营业额来源于海外。这一领域的瑞士企业的特征在他们强大的技术和元器件，在于他们的创新精神以及过去几十年为国际市场提供高质量产品的事实。

Visit some of the companies at the Swiss Pavilion in Hall W3.
欢迎前来参观位于W3大厅瑞士馆的公司。

Map

Visit the Swiss Pavilion at SNIEC Shanghai New International Expo Center, 2345 Long Yang Road, Pudong New Area, Shanghai 201204, P.R. China.

Exhibition Hours

15 – 16 March 2016 (Tue-Wed) 9.00 – 17.00
17 March 2016 (Thu) 9.00 – 16.00

How to get there

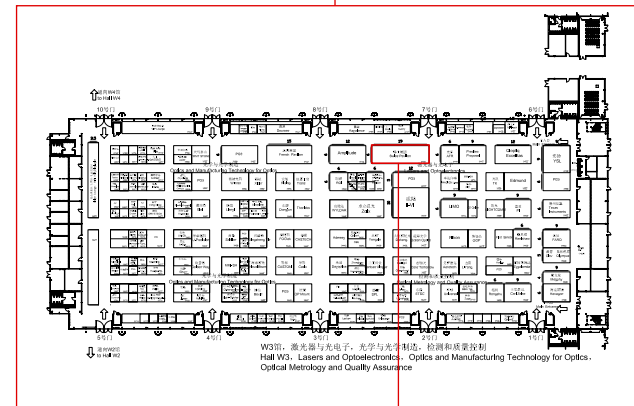

By flight
The expo centre is located half way between Pudong International Airport and Hongqiao Airport, 35 km away from Pudong International Airport to the east, and 32 km away from Hongqiao Airport to the west. You can take the airport bus, maglev or metro directly to the expo center.

By train
From Shanghai Railway Station or Shanghai South Railway Station please take metro line 1 to People's Square, then take metro line 2 toward Pudong International Airport Station and get off at Longyang Road Station to change line 7 to Huamu Road Station.

By transrapid (maglev train)
The maglev only takes 8 minutes directly from Pudong Airport to Long Yang Rd, where SNIEC is located, and is running every 15 or 20 minutes. From Pudong International Airport to Longyang Road Station, operate between 6:45-21:40 at Airport, RMB50/ trip without air ticket, RMB 40/trip with air ticket, RMB80/return trip. And then take metro line 7 to Huamu Road Station.

By subway
Please take metro line 7 and get off at Huamu Road Station, you can arrive at SNIEC directly. Take metro Line 3 or Line 4 to Zhongshan Park, Line 1 or Line 8 to People's Square, Line 4 or Line 6 to Century Avenue, then change to metro Line 2 towards Pudong International Airport Station and get off at Longyang Road Station to change line 7 to Huamu Road Station. metro directly to the expo center.
