Call for Presentations and Posters

OCLA 2018

The OCLA Symposium is geared towards technically interested engineers and scientists working with laser optics, high-end optical thin film deposition and characterization. Visitors, presenters and researchers get the opportunity to exchange ideas as well as share their work related to the field of optical coatings, laser technology and LIDT measurement.

The upcoming workshop is looking for submissions which offer solutions to common problems, innovative uses of technology, current research findings and more.

Registration for the OCLA Symposium starts early 2018.

Send an Abstract

You are invited to send your proposals for presentations or posters in the field of:

- optical coatings for laser applications
- laser technology and applications
- Metrology for characterising high-end optical coatings and substrates
- Low loss optical coatings

Duration of presentations are typically 15 minutes.
Poster size DIN A0 or F4 (world format)

Where To Submit
