

DIAMOND

the fiber meeting

SWISS PHOTONICS

Connectors for Advanced Fiber Systems

- 11:00 **Factory Tour**
- 12:00 **Business Lunch, offered by Swissphotonics**
- 13:00 **Registration, Coffee**
- 13:30 **Dr. Matteo Castiglioni**, Director of Sales and Marketing at Diamond SA
Welcome and Introduction of Diamond SA
- 13:50 **Dr. Christoph S. Harder**; President Swissphotonics NTN, Wollerau SZ
Introduction of Swissphotonics and Moderation of the Workshop
- 14:10 **Prof. Dr. Valerio Romano**, Professor for Applied Photonics, BFH-TI ALPS
Introduction and Presentation of Program
- 14:30 **Dr. Nicolai Granzow**, Sales Engineer at NKT Photonics GmbH
Photonic Crystal Fiber
- 14:50 **Alexandre Paduch**, Photonics R&D Engineer at Hexagon Technology Center
Usage of Fiber Optics in Metrology
- 15:10 **Dr. Ulrich Dürr**, Manager at Rofin Lasag AG
All in Fiber Systems
- 15:30 **Networking Break 30'**
- 16:00 **Prof. Dr. Fabien Sorin**, Head FIMAP, EPFL
Recent development in specialty multi-material fibres
- 16:20 **Prof. Dr. Luc Thévenaz**, Head Group for Fibre Optics GFO, EPFL
Ultra-High Spatial Resolution in Distributed Fibre Sensing
- 16:40 **Prof. Dr. Markus Michler**, Institut für Mikro- und Nanotechnologie, NTB
Connecting Integrated Optical Systems to Fibers
- 17:00 **Apéro riche, offered by Diamond SA**
