# Photonics Organisations

- **Organizations**

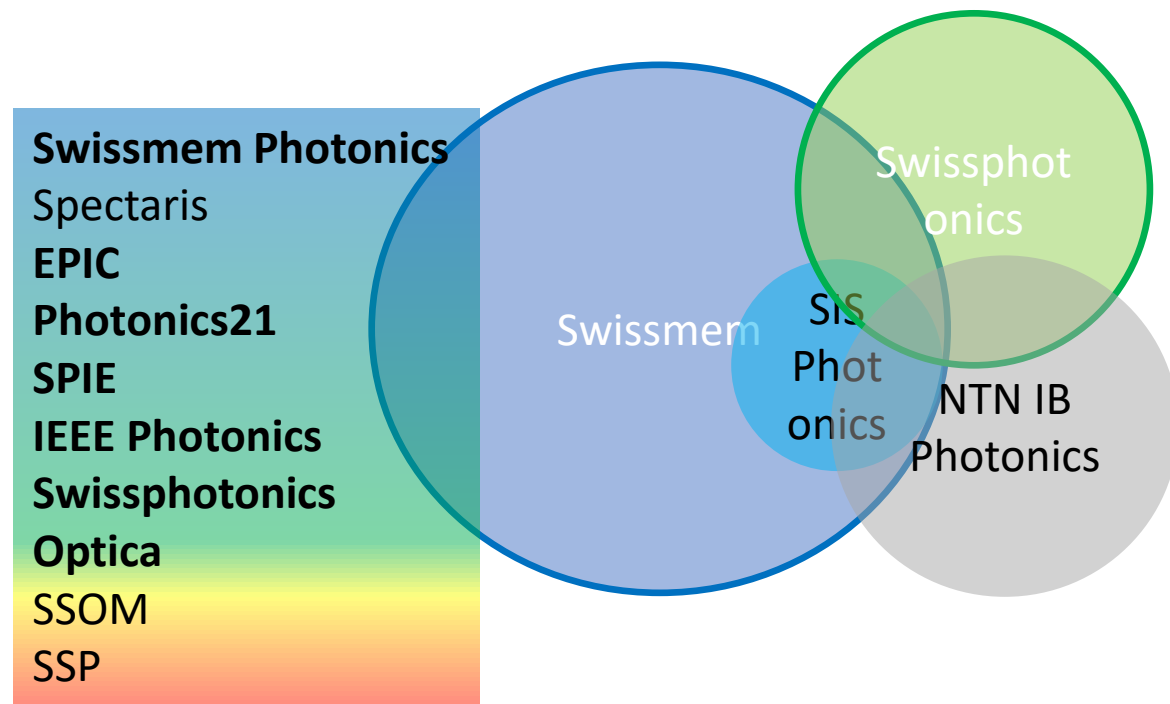

- Different organizations provide benefits to their constituents
- Services for industry (blue) up to academic institutions (red) depending on mission

- **Members**

- Are usually in many in different organizations depending on membership requirement and available services of organization

- **Membership**

- Requirements and benefits
  - Details: See Appendix

Members	Swissmem Photonics	NTN IB Photonics	Swiss photonics	Optica	SPIE	EPIC
Academia	Red	Yellow	Green	Green	Green	Yellow
Postdocs/Students	Red	Yellow	Green	Green	Green	Red
Industry/ SME/start-up	Green	Green	Green	Green	Green	Green
Individual Engineers	Red	Yellow	Green	Green	Green	Red

# Swissphotonics: A Network

## **Swissphotonics Community:**

- Swissphotonics: 180 paying members
- 1700 persons that are in member companies (can be individually reached by e-mail)
- 12'000 e-mail contacts
- New: Linked-in and twitter for pointing out news on webpage

## **International community:**

- Representatives in EPIC (Board), Optica (Public affairs council), Photonics21 (Board, support action BestPhorm21),
- ECOC 2022 Organisation committee
- Active in IEEE Photonics, SPIE

## **Activity:**

- Lunch Chat, Workshops, support for finding partner/supplier/customer
- Webpage
